KwaDukuza (also known as Stanger) is a town in KwaZulu-Natal, South Africa. In 2006, its official name was changed from Stanger to KwaDukuza; however many South Africans continue to use the name "Stanger" today. KwaDukuza-Stanger serves as the commercial, magisterial and communication centre for the large sugar-producing district.

In February 2018, the town opened the KwaDukuza Private Hospital, the second major hospital in the area after the Stanger Provincial hospital.
